

# Ramadan Food Basket for Needy Families in Bangladesh 2016

Salaam. Alhamdulillah, last year (Ramadan 2015) we had a great response for Ramadan food basket program. We provided about 200 families, each a food basket including 20 kg rice, potato, oil, chira, sugar, onion, lentil, and chana. You can see some of the pictures here: <https://picasaweb.google.com/110405055458049659735/RamadanFoodBasketProgram2015>.

When I visited in Bangladesh in last December-January, I had a chance to meet some of the recipient families. They were so happy to get 20 kg rice and other food items. They were openly praising who provided those kind of support, even some of their eyes were filled with tears.

This year we like to provide food basket at the beginning of Ramadan. So your earlier support for Ramadan food basket program will be helpful for needy families in Bangladesh.

My friends and school kids in BD are helping to distribute our food baskets during Ramadan. We will be buying bulk so that we can cover the following within \$20:
